

## Inter-School Athletics Competition

### **Dangerous Jaywalking when Accessing to Wan Chai Sports Ground**

Access to the Wanchai Sports Ground should be using the Footbridge from the Sun Hung Kai Centre to the middle entrance of the Wanchai Sports Ground. Schools may aware of the heavy traffic at Tonnochy Road and cars at a high speed are dash from different directions. In some occasions, some officials and athletes dangerously jaywalk at the Tonnochy Road instead of making use of the existing footbridge, and such acts will cause severe danger to both jaywalkers and motorists. Accident did occur in previous years involving casualties.

To avoid accident to officials and athletes, please remind all concerned parties to use the footbridge from the Sun Hung Kai Centre to the entrance of the Wanchai Sports Ground.

We honestly believe that teacher's advice to students is the most effective way in avoiding jaywalking. For the safety of our students and officials, we would like to seek all teachers' co-operation to **INSTRUCT** their officials and athletes that **FOOTBRIDGE MUST BE USED when crossing the Tonnochy Road to the Wan Chai Sports Ground.**

Thank you for your kind attention and looking forward to your co-operation in this matter.

## 中學校際田徑比賽

### **敬請使用行人天橋前往運動場**

前往灣仔運動場的人士通常會使用新鴻基中心與港灣道體育館中間的行人天橋，經灣仔運動場門口進出場館。然而，在以往的賽事中，有些工作人員及運動員為貪圖方便，不使用行人天橋，自行跨越欄杆，胡亂橫過杜老誌道。由於杜老誌道有不同的行車方向，而車輛以高速行駛，上述行為對運動員、工作人員及車輛駕駛者均會造成極大的危險。以往亦曾經在同一地點發生交通意外。

賽會相信，老師對各同學的訓示是最有效的預防方法。因此，為保障各工作人員及運動員的安全，請提醒各有關工作人員及運動員，**必須使用行人天橋橫過杜老誌道進出運動場。**

懇請各參賽學校合作，以免發生意外。
