

Inter-School Badminton Competition 2022-2023
Hong Kong Island

Contact Information

With the policy imposed by the LCSD, information of team managers are required to provide to the venue in order to allow teams to take up the booked facilities on competition day. To ensure the implemented policy will not interfere the running of competition, the management committee has decided that **Team manager of the Home Team of Court 1 & 3 in each venue will be responsible to take up the booking on the competition day**, therefore names and ID No. (first 4 digits) given below will be provided to the competition venue accordingly.

In addition, the contact information collected will be used to facilitate communication amongst teachers of participating schools. A contact list will be circulated to all participating schools together with competition fixtures. Please note that the information are **confidential and should only be used for matters relating to Inter-School Badminton and should not be disclosed to any other person.**

Teacher in charge of badminton please fill in the following contact information and return it to the Federation Office on or before **23rd September 2022**
