

Inter-School Swimming Championships 2011/2012
Division Three (Kowloon One)

Postponement of Competition Program

1 Day One Program

Due to the typhoon warning signal no. 8 was in effect yesterday, the Day One program of Inter-school Division Three (Kowloon One) Swimming Championships will therefore be postponed to **next Friday, 7th October 2011**, which was originally scheduled for the Finals.

2 Final Day Program

2.1 The Federation is now coordinating with the Leisure and Cultural Services Department (LCSD) for the possible dates to rearrange the final day program of Inter-school Division Three (Kowloon One) Swimming Championships, ideally to be held between October and early November.

2.2 However, the Kowloon Park Swimming Pool has initially replied that the pool is packed with bookings and may only be able to arrange the fallback in December.

2.3 The Federation will further seek for availability in other swimming pools and may even consider outdoor swimming pools in case replacement cannot be made as requested.

3 Entries

As entries in day one program are expected to swim their finals on 7th October, therefore amendments to entries will not be accepted by the Federation. All entries which have been accepted by the Federation should report to the competition accordingly.

Thank you for your kind attention.
