

Inter-School Swimming Championships 2011-2012
Division Two Seating Plan

For the sake of safety and enjoyment of our swimmers and avoid over crowding in the lower level spectators' stand, seating plan has been introduced on both the Heats and Final Day. The seating order is arranged by lots drawing but also taking into account that those seating in upper level in the last season will seat on the Lower Level in this season.

All swimmers, teachers and spectators must only occupy the seats allotted to them. Please pass the message to all concern so that they know exactly where to sit.
