Age & Height Restriction

In 1950s, students were divided into Senior (A), Intermediate (B) & Junior (C) grades with respective age & height restriction. Senior grade was under 20 years of age without any height limit. Intermediate & Junior grades were under 17 & 15 with height restriction of under 5'2" & 4'10" respectively. Junior grade was further sub-divided into C grade & Midget (D) grades in 1956. The 4 grade system lasted for 10 years, and in 1966, D grade competition was abolished & replaced by Primary School competition.
