Urban Sports Funding Scheme (2023/24 School Year)

In the 2022 Policy Address, the Chief Executive announced that the Government would collaborate with the sports sector, schools, and the business community to promote urban sports, which have been gaining popularity among young people in recent years. These urban sports are 3x3 basketball, futsal, breaking, skateboarding, and sport climbing.

In collaboration with the Schools Sports Federation of Hong Kong, China (HKSSF), the Government has launched the Urban Sports Funding Scheme for the 2023/24 school year. The Scheme aims to provide opportunities for 8,000 students (secondary and primary schools) to participate in urban sports training through the provision of direct subsidies to participating schools.

Schools are now invited to apply for the Urban Sports Funding Scheme for the 2023/24 school year. Interested schools should complete the application form and submit it via email to HKSSF **on or before 14 December 2023**. Details of the Scheme and the application form are available on the HKSSF website (<http://usfs.hkssf-hk.org.hk>). Should you have any inquiries on the Scheme, please feel free to contact Mr. Stephen Lee, Senior Project Officer (3579 8074), or Mr. Arthur Lam, Project Officer (3579 8054) of HKSSF.

We look forward to your active participation in the Scheme. Thank you!
