## **Urban Sports Funding Scheme (2024/25 School Year)**

To promote urban sports that are popular among young people in recent years, including 3-on-3 basketball, futsal, breaking, skateboarding and sport climbing, the Government has collaborated with the Schools Sports Federation of Hong Kong, China (HKSSF) and launched the Urban Sports Funding Scheme (the Scheme) starting from the 2023/24 school year. The Scheme aims to provide opportunities for secondary and primary students to participate in urban sports training through the provision of direct subsidies to participating schools. In view of the positive response, the Scheme will be extended to the 2024/25 school year and provide at least 9 000 students with the opportunity to take part in urban sports.

Schools are now invited to apply for the Scheme for the 2024/25 school year. Interested schools should complete the “Master Application Form” and submit it via email to HKSSF **on or before 18 July 2024**. Details of the Scheme and the application form are available on the HKSSF website (<http://usfs.hkssf-hk.org.hk>).

Should you have any inquiries on the Scheme, please feel free to contact the Secretariat at 2711 6703.

We look forward to your active participation in the Scheme. Thank you!
